Mr. Luis Manuel Rosario

Dear Proffesor:

The reason for this letter is to say hello and know about your health. I am fine thank god. I want to let you know that I was very happy when I received the news that you already have two children a boy and a girl.

I would tell you that I am very advance in my studies on the 8th grade, thanks to god and to you for everything that you helped me with my homework. I am also very grateful for all your help since very soon I will be going to high school. I am also enrolled in an English course which I just recently started. My mother and father also send you their hello.

Sincerely your friend and old student,
Paola Nunez

I, Arisleydis Joaquin, having knowledge of both languages, Spanish and English, do solemnly swear that the above translation is according to the original in Spanish, to the best my ability.
